Chairman's Report

Not a whole lot to report on during the past month as a result of the dip into Level 4 Lockdown.

We hope that everyone has kept safe, and condolences to those members who have lost loved ones during this difficult time.

Our hearts go out to you and our thoughts are with you during these trying times.

All we can do is bow our heads to our maker and ask for assistance.

General

Unfortunately our current secretary had to step down for personal reasons.

We are appealing to all RMAC members to please assist with someone else whom the committee can vote on as a new Secretary for the club.

We have upgraded our security by adding cameras to monitor and record remotely in the event of a breakin.

Mango's house has had an upgrade by new ceiling boards put in as well as new batteries for his solar, would like to thank Francois for assisting with this as well as the camera installation.

We would like
to welcome

Sipho Mazibuko

as a newest member to RMAC,
we wish you many hours of fun flying

**LOCK
DOWN**

Month of August

Hi Members

I hope that during the lock down you have been cleaning your planes and staying safe.

As you know August is known as the windy month and hopefully brings good thermals.

We will be having an open day on the 22nd of August for our Glider Day.

All types of Gliders will be accepted.

Please bring your picnic basket for the day.

Please tell fellow members and friends about the day.

See you at the field

STAY SAFE.
