Chairman's Report

Dear Members,

There is not a whole lot to report on due to the current state of the pandemic.

As you are aware by now, all flying events are cancelled for the next 14 days.

Flying at the club is still allowed, however we have to adhere to the Covid regulations.

Please have a look under general for the detailed description.

We hope you are staying safe during this difficult time.

General

Jenny the dog - Jenny has recently suffered an injury on her hind leg, and was taken to the vet by Kevin Selby, it came to our attention that she has been getting into fights with other dogs, and since she is now an elderly dog, and alone, she is no longer able to fend off these attacks.

This is why we had no objection to Kevin's request to adopt Jenny, rest assured that she is going to an excellent home, and will be well looked after and loved.

Thank you Kevin you are a true animal lover and an example for us all.

Additional COVID restrictions at RMAC during level 4:

- 1) No Braai facilities are to be used.**
- 2) No guests or spectators, only pilots allowed.**
- 3) No socializing at RMAC.**
- 4) No alcohol to be brought or consumed at RMAC.**
- 5) Ensure you keep 1.5m to 2m distance between each other at all times, this includes your caller.**
- 6) Important, please ensure you wear your masks at all times, should we find you not adhering to these rules, we will ask you to leave the field.**
- 7) Please refer to previous covid regulations which can be found at the club.**

Remember it is in our best interest to help prevent the spread of Covid and keep flying going.

Month of June

Proficiency day - on the 5th of June we had a proficiency day for members who would like to get certified in the various SAMAA levels. A big thank you to those members who attended, as well as a big thank you to Stan Fincham for making himself available on the day to assist in testing and helping our members.

Proficiencies are a vital aspect of our hobby, and not only promotes good flying but also increases safety at our club. The day started out with good weather, but a cold wind started moving in from the north, but this did not stop the members who were determined to pass their tests. Congratulations to Neville Van Der Merwe, and Stuart Higgs for passing their Silver Proficiencies with flying colours! All of the hard work and dedication paid off in the end.

For more information and future testing please feel free to contact Matthys @ bothamj@hotmail.com

Month of July

Unfortunately, due to the current Level 4 restrictions, all events for July have been cancelled. Please keep an eye out for further communications via the various social media channels.

STAY SAFE.
