Certificate of compliance

Applicant: The Chairperson, Rand Model Aeronautic Club

Location: South Johannesburg

The Minister of Transport authorised the restricted resumption of recreational aviation. The South African Model Aircraft Association (SAMAA) received permission from the South African Civil Aviation Authority (SACAA) to manage the restricted re-opening of registered Model Clubs as per ENR5.5.

SAMAA hereby acknowledges receipt of your Club's COVID-19 Compliance Management Plan (CMP) supported by photographic evidence of pre-commencement activities.

Your COVID-19 CMP was reviewed and found to be compliant with recommended SAMAA guidelines.

Your club is now permitted to **operate within the guidelines of your CMP with effect from 04 July 2020**. Any future/proposed amendments to your CMP must be submitted to the SAMAA in writing for review and approval.

This certificate will be valid until such time as any revised Government Gazette, General Notice or Notam is received cancelling or further relaxing/restricting model aircraft activities.

SAMAA representatives will visit clubs on an *ad hoc* basis to ensure compliance with your authorised CMP and issued regulations, and any unauthorised and non-compliant activities may lead to SAMAA revoking this certificate.
